Enjoyed the ride yesterday. We had about 10 vehicles. We met at the Idle Spur in Sandy Valley. The breakfast made by the Spur Snack Shack was GREAT! I was very pleased with my breakfast wrap with sausage, egg, cheese etc. It was really good and you order outside at the trailer and they bring it in to you in the bar. I scanned in the menu and if you want to get out of town and grab a meal at a nice place the Idle Spur and the Spur Snack Shack is a good one. They are not usually open for breakfast but when they heard the club was coming they opened early for us!
